- 1 AN ACT ...; relating to: utility aid payments to a municipality that is contiguous  
2 to a ~~municipality~~ <sup>site on which</sup> an electric generating facility is located.

**Analysis by the Legislative Reference Bureau**

Under current law, each municipality and county in which a power production plant is located receives annually a payment from the state based on either the value or the megawatt capacity of the production plant, depending, generally, on when the power production plant began operation. Beginning with payments in 2005, if a baseload electric generating facility is built after December 31, 2003, and has at least a 50 megawatt capacity, the municipality and county in which the facility is located will each receive annually a payment equal to the facility's megawatt capacity multiplied by \$600. <sup>least</sup>

Under this bill, beginning with payments in 2005, if a baseload electric generating facility with at a 50 megawatt capacity is built after December 31, 2003, on a site that is contiguous to a municipality in which the facility is not located, the contiguous municipality will receive annually a payment equal to the facility's megawatt capacity multiplied by \$100.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

Sec #. Or; 79.04(7)(b) 2.

INSERT A

1           **SECTION 1. Initial applicability.**

2 (1) This act first applies to utility aid payments paid in 2005. ✓

3 (END)

**ASSEMBLY AMENDMENT 1,  
TO ASSEMBLY SUBSTITUTE AMENDMENT 1,  
TO 2003 ASSEMBLY BILL 378**

~~June 24, 2003 Offered by Representatives LADWIG, GOTTLIEB and GARD.~~

79.04 (7) (b) <sup>(B)</sup>

At the locations indicated, amend the substitute amendment as follows:

1. Page 12, line 1: after "(b)" insert "1.".

2. Page 12, line 7: after that line insert:

2. If a baseload electric generating facility as described in subd. 1. is located on a site that is contiguous to a municipality in which the facility is not located, the contiguous municipality shall receive annually from the public utility account a payment in an amount that is equal to the number of megawatts that represents the production plant's name-plate capacity, multiplied by \$100. ~~A municipality that receives a payment under this subdivision may not receive a mitigation payment as defined in s. 406.20(1)(a).~~

(END)

Representative Ladwig:

Please review this draft carefully to ensure that it is consistent with your intent. The bill is identical to Assembly Amendment 1, to Assembly Substitute Amendment 1, to 2003 Assembly Bill 378, except that I did not include the last sentence of the amendment related to mitigation payments because that sentence refers to a provision that the governor vetoed (See section 23 of 2003 Wisconsin Act 31). Please contact me if you have any questions.
